

## Report of Independent Accountants

To the Management of BizActions, LLC:

We have examined the [management's assertion](#) that BizActions, LLC as of April 30, 2009:

- Disclosed its masking process with respect to third party transference of Tax Return Information,
- Complied with such masking practices; and
- Maintained effective controls to provide reasonable assurance that access to information was restricted in conformity with its disclosed masking practices.

based on the Internal Revenue Service Section 7216 compliance requirements. These practices, disclosures, compliance, and controls are the responsibility of BizActions, LLC's management. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the masking process with respect to third party transference of Tax Return Information, and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, BizActions, LLC management's assertion referred to above is fairly stated, in all material respects, based on the Internal Revenue Service Section 7216 compliance requirements.

Because of inherent limitations in controls, error or fraud may occur and not be detected. Furthermore, the projection of any conclusions, based on our findings, to future periods is subject to the risk that the validity of such conclusions may be altered because of (1) changes made to the system or controls, (2) changes in processing requirements, (3) changes required because of the passage of time, or (4) a deterioration in the degree of compliance with the policies or procedures.
