

Management's Assertion Regarding the Effectiveness of Its Controls over the BizActions System Based on IRS Section 7216 Compliance

The management of BizActions, LLC on its Web site, www.bizactions.com and through its Sponsor email distribution system, asserts that as of April 30, 2009:

- Disclosed its masking process with respect to third party transference of Tax Return Information
- Complied with such masking practices; and
- Maintained effective controls to provide reasonable assurance that access to information was restricted in conformity with its disclosed masking practices.

All of the above assertions are based on the IRS Section 7216 compliance requirements which are available at www.irs.gov.
